## Student Completion Rate Report

As an institution offering financial aid programs to students, Northwestern Technological Institute provides students with completion rate information on an annual basis.

### Reporting Period/Completion Rate

For the purpose of this report, Northwestern Technological Institute is required to provide student completion information for a cohort of students for which 150% of the normal time for completion elapsed between September 1, 2017 and August 31, 2018. The first class start where 150% completion time elapsed after September 1, 2017 was the May 9, 2016 class. This class graduated on March 23, 2017 and 150% completion time elapsed as of August 29, 2017. The last class start where 150% completion time elapsed before August 31, 2018 was the May 1, 2017 class. This class graduated on March 15, 2018 and 150% completion time elapsed as of August 21, 2018. For these classes, there were a total of 491 first-time students who entered the Climate Control Technology (CCT) program.

Of the 491 students who entered the CCT program, 319, or 65% completed the program.
