## Student Completion Rate Report

As an institution offering financial aid programs to students, Northwestern Technological Institute provides students with completion rate information on an annual basis.

### Reporting Period/Completion Rate

For the purpose of this report, Northwestern Technological Institute is required to provide student completion information for a cohort of students for which 150% of the normal time for completion elapsed between September 1, 2019 and August 31, 2020. The first class start where 150% completion time elapsed after September 1, 2019 was the May 29, 2018 class. This class graduated on April 11, 2019 and 150% completion time elapsed as of September 17, 2019. The last class start where 150% completion time elapsed before August 31, 2020 was the May 1, 2019 class. This class graduated on March 17, 2020 and 150% completion time elapsed as of August 20, 2020. For these classes, there were a total of 783 first-time students who entered the Climate Control Technology (CCT) program.

Of the 783 students who entered the CCT program, 552, or 71% completed the program.
