

Student Completion Rate Report

As an institution offering financial aid programs to students, Northwestern Technological Institute provides students with completion rate information on an annual basis.

Reporting Period/Completion Rate

For the purpose of this report, Northwestern Technological Institute is required to provide student completion information for a cohort of students for which 150% of the normal time for completion elapsed between September 1, 2020 and August 31, 2021. The first class start where 150% completion time elapsed after September 1, 2020 was the May 20, 2019 class. This class graduated on July 9, 2020 and 150% completion time elapsed as of 12/15/2020. The last class start where 150% completion time elapsed before August 31, 2021 was the January 8, 2020 class. This class graduated on March 23, 2021 and 150% completion time elapsed as of August 26, 2021. For these classes, there were a total of 583 first-time students who entered the Climate Control Technology (CCT) program.

Of the 583 students who entered the CCT program, 372, or 64% completed the program.
