

Accreditation, Approval, and Licensure of Institution and Programs

General Information Approval

Northwestern Technological Institute is approved to operate under the license from the State of Michigan Department of Labor and Economic Opportunity. The Institute's State license is displayed in the main lobby. For additional information relative to the Institute's State license, students can visit the School Director's office during regular business hours.

Accreditation

Northwestern Technological Institute is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC), an accrediting agency recognized by the United States Department of Education. The Institute's accreditation certificate is displayed in the main lobby. For additional information relative to the Institute's accreditation, students can visit the School Director's office during regular business hours.
